Funeral Flowers & Tributes

*Those we love don't go away, they walk beside us
every day. Unseen, unheard, but always near,
still loved, still missed and forever dear.*

A guide to choosing floral tributes

Flowers are a good way to express your feelings and pay respect when words simply aren't enough. But, at a time of loss, it can be difficult to know which flowers and styles to choose.

Our guide will show you a selection of what is available in our sympathy collection and will help you choose the most appropriate and personal floral arrangement for your loved one.

You can be assured that from the moment you place your order with us, it will be designed and handled with care, before being hand delivered to the funeral directors by us on the day.

Please do not hesitate to speak to us, so that we can discuss all of the options and create the perfect tribute for your loved one.
